Enclosure No.

In continuation of this office no. C.S.462/45 dated 14-3-45, I have the honour to report that the staff of the Special Office was disbanded from 1st April 1945, but the correspondence and typing work of the Special Office is still being continued owing to the various bills having to be accepted and countersigned by the Superintendent of Veterinary Services and to the Comptroller's observations and objections on the bills having to be explained, and also to other correspondence that will arise from time to time. Since 1st April 1945 B...Rajanna, a clerk of H.G.Farm Office has been doing the correspondence and typing work of

P.T.O

of the Special Officer in addition to his work. Consequently he has had to work overtime everyday in order to cope with the situation. This work is likely to continue till the end of May 1945.

Under the circumstances, I strongly recommend that the allowance of Rs.20/- per mensem referred to in the above letter be sanctioned till the end of May 1945.

I have the honour to be,
Sir,
Your most obedient servant,

Special Officer
